

WE LISTEN. WE OBSERVE. WE OPTIMIZE.

NEW DESIGN!

STEEL CONSTRUCTION DOWNDRAFT TABLE

REPLACES WOOD CONSTRUCTION SERIES

MODEL 63210 36" x 72", 460 V, 3 Phase

MODEL 64207 36" x 72", 230 V, 1 Phase

MODEL 64210 36" x 72", 230 V, 3 Phase

MODEL 64700 36" x 72", 115 V, 1 Phase

Dynabrade Downdraft Sanding Tables have been improved to now feature an industrial steel panel construction with additional design enhancements. These models are a direct replacement for the discontinued wood construction series (model numbers do not change).

PRODUCT ENHANCEMENTS

- **Isolated Blower Design** minimizes sound level dbA and drastically reduces vibration transfer to workpiece.
- **Two-Piece Replaceable Work Surface** features durable Rhino-coat non-mar surface and has thru-holes that allow for pinning workpiece in position for sanding/grinding.
- **New Accessory Line** includes 5,000 lumen two-position work light, regulator-lubricator with multi-tool manifold panel, tool/airline hanger and additional magnetic accessories.
- **Streamlined Aesthetic** maintains brand consistency with Dynabrade's Raptor Vac® line of clean air solutions products.

64207		230 V / 60 Hz	1						
64210		230 V / 60 Hz	3						
64492		220 V / 50 Hz	1						
64700		115 V / 60 Hz	1						

OPTIONAL ACCESSORIES

Tool Storage System

- Magnetic Multi-Function Tool Holder, Black Steel

Part No. 64180

Tool Storage System

- Magnetic Tool Tray, Black w/ Holding Magnets on Side

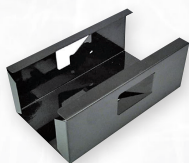

Part No. 64181

Glove Dispenser

- Magnetic Glove and Tissue Dispenser, Pre-Drilled For Optional Wall Mounting, Powder Coated Black

Part No. 64182

Towel Dispenser

- Heavy Duty Steel Holder with Magnetic Backing

Part No. 64183

Accessory Panel Kit

- FR filter regulator.
- Tool manifold.

Part No. 66311

LED Light Bar

- Adjustable 2 -position light bar.

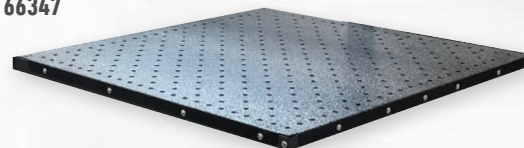

Part No. 66310

Replacement Work Surface

- MAR-Free coated work surface.

Part No. 66347

Tool Hanger

- Tool and airline storage.

Part No. 66312
