DYNABRADE NITRO SERIES® **NITROZIP**

NOW INCLUDES RED-TRED® ERASER WHEEL

Dynabrade Nitro Series® NitroZip Surface Preparation Tool

Using a Dynabrade Nitro Series™ NitroZip equipped with a Red-Tred® Eraser wheel is ideal for removing adhesive-backed decals and pinstripping without harming the painted surface below. NitroZip RED-TRED® wheel outperforms conventional spiral-wound wheels without clogging. NZI Tool now includes 92255 Red Tread Wheel.
