DYNA-FAST

FOOT ACTIVATED SCREENING THERMOMETER

Returning to work safely is priority one around the world amid the Covid-19 pandemic. The Dyna-FAST Thermometer is a new innovation from Dynabrade aimed at helping businesses resume safe operations. Fast, contactless temperature screening is an additional, vital step every individual can take to ensure the health and safety of their colleagues. Easy, self-screening upon entry each day takes seconds and helps protect individuals, teams, work cells and entire facilities.
